PROJECT SUMMARY

Designo Graphy Canada was hired to develop a logo and a website for an e-commerce company. The client had been impressed by their service in a previous project and hired them for a second one.

PROJECT FEEDBACK

The client is satisfied. Designo Graphy Canada provides a professional project workflow and delivers everything on time. They have also been efficient but elaborate for a reasonable price. Overall, the client has felt their efforts as a company to meet their expectations.

The Client

Please describe your company and your position there.

TOUON CANADA is a company specializing in online commerce and refers to the sale of goods and services for profit. This company sets itself apart from the rest because it offers a new way to shop online by offering items from today and yesterday. It also has cleanliness, hygiene and well-being solutions to its credit with its maintenance and housekeeping service. I am the general manager of this company.

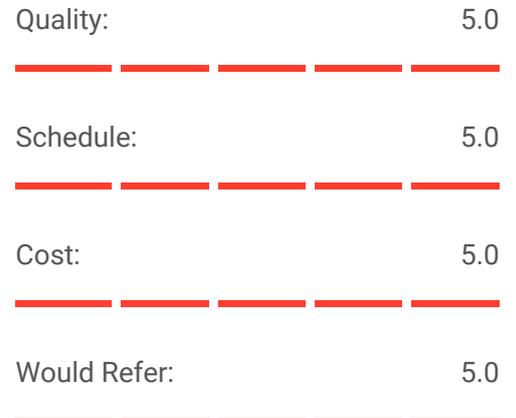

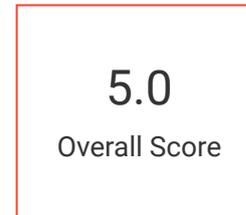

The Challenge

For what projects/services did your company hire Designo Graphy Canada, and what were your goals?

We hired Designo Graphy because it is a creative and professional company that stands out for the best quality of its services; listening, availability, better follow-up and better advice for its customers. Our goals were to have a website that conveyed our services and brought us customers into our business.

CLIENT RATING

The Approach

How did you select this vendor and what were the deciding factors?

We selected this company on the Internet and for the first project we were very satisfied, that is why we entrusted this second project to them.

How many people from the vendor's team worked with you, and what were their positions?

We were only in contact with the project manager.

The Outcome

Can you share any measurable outcomes of the project or general feedback about the deliverables?

We are completely satisfied.

Describe their project management style, including communication tools and timeliness.

They are very professional in project management and deliver on time. Every time we called or sent them a message we immediately received their response.

What did you find most impressive or unique about this company?

The quality of their service is fast and very elaborate. The prices are very reasonable.

Are there any areas for improvement or something they could have done differently?

No, Designo Graphy did the best they could as a company to meet our expectations.
