The Approach

How did you select Designo Graphy Canada and what were the deciding factors?

We found them through reference. And we selected them because of reasonable prices.

Describe the scope of work in detail, including the project steps, key deliverables, and technologies used.

Web design (premium theme), web development and logo design.

How many people from the Designo Graphy Canada team worked with you, and what were their positions?

One, worked with the project manager.

The Outcome

Can you share any measurable outcomes of the project or general feedback about the deliverables?

Designo Graphy has been found a very professional and technologically advanced company in web development and graphic designing. We have had a very good experience working with them. The service they have rendered to us is really remarkable and they have always delivered the assigned tasks on time.

We wish them the best of luck in their future endeavours.

Describe their project management style, including communication tools and timeliness.

We are impressed with their customer satisfaction efforts. They are available even after office hours in case if there is something weird with the website (for example cache issues etc)

What did you find most impressive or unique about this company?

They offer competitive/reasonable rates and do not compromise on quality. They worked thoroughly for the betterment of their clients.

Are there any areas for improvement or something they could have done differently?

I cant think right now.
